

FLOOR LAMP 2368

DESIGNER: JOSEF FRANK, 1939

Floor lamp 2368 in brass is also called the "large camel", as the bent arm resembles a camel's hump. This model has four light sources of which one is directed upwards. The angle of the arm can be adjusted as required to allow a comfortable light over an armchair or a sofa. Josef Frank designed this lamp in 1939.

CARE INSTRUCTIONS

Avoid contact with water as it can stain the brass.

Do not wash Svenskt Tenn's lampshades. Use a soft furniture brush or a dust wand when cleaning. We recommend using a maximum 40-watt light bulb.
