

SOFA 2080

ACCORDING TO JOSEF FRANK the modern home should be a place for rest and comfort. Sofa 2080 has therefore carefully executed upholstery with a double spring system, which gives the user a pleasant comfort. The sofa has Josef Frank's typical rounded armrests but also the more unusual movable back cushions. Sofa 2080 was accompanied by an armchair with the same number in the interior of Kjell Beijer's office in the end of the 1940s.

DESIGN: Josef Frank / **LENGTH:** 205 cm / **DEPTH:** 96 cm / **HEIGHT:** 90 cm / **SEAT HEIGHT:** 47 cm
SEAT DEPTH: 60 cm

FABRIC ON SOFA ABOVE: Textile Raw Linen, unbleached

SOFA 2080

MATERIAL Wooden frame. Core of coil springs on a no-sag spring base, stuffed with foam rubber/polyether and synthetic batting. Cushions of synthetic fibre/feathers in downproof cases with removable fabric covers. Ball-shaped legs in stained beech. Armrest covers are included.

CARE INSTRUCTIONS Feather cushions are sewn in three sections and uniquely assembled to provide the best possible seating comfort. All types of feather cushions need to be puffed up to maintain their resilience. Shake and puff up the cushions regularly and knead them to loosen up any feather bunches.

The legs are screwed on and may need to be tightened from time to time. For additional protection we recommend using extra covers for the armrests. Svenskt Tenn also offers stain guarding for further protection.
